

YOUTH ministry

At Holy Nativity Episcopal Church, Panama City, Florida.

Every Wednesday night I have a privilege of sharing worship and a meal with you. During this meal a weekly question is posed, So how is your week?

A question I believe is so important because the answers that flow from this have allowed us to see what each of us are celebrating, struggling or laughing at. Believe that I hear you!

With Wednesday nights postponed for now, meet us on social media and tell us, how is your week. [Facebook](#) and Instagram @hnecyth

Tell, show or hear, what we are celebrating, struggling or laughing at.
